

MERLOT

The name DS stands for the initials of the surname De Stefani, the family that has been producing Premium wines in Veneto, Italy, for five generations. "Tra Mari e Monti" represents the true meaning of these wines, carefully crafted in Veneto between the Adriatic Sea and the Dolomite Mountains, where the perfect microclimate for the growth of grapes appears to be.

DS Merlot has a velvety ruby red colour and intriguing aromas of red berried fruits, from black cherry to plum, from currant to blueberry, with the typical herbaceous and earthy note. The taste is intense and structured, with noble and defined tannins, making it the perfect accompaniment for roasts, boiled meats, cold cuts and legumes. We suggest to serve at 16-18°C.
