

REDENTORE

SUSTAINABLE WINERY

PINOT NERO

Redentore Pinot Nero pays tribute to one of the most treasured festivities of Venice, the “Festa del Redentore”. Every third weekend of July Venetians celebrate with an immense fireworks display and sumptuous dinners as the harbor fills with boats.

Redentore wines are produced using certified sustainable practices, both in the vineyard and in the winery.

Redentore Pinot Nero has notes of raspberry and rose petals, with a pleasant hint of black tea. It has an elegant acidity and finely defined tannins, which accompany a long finish. It is ideal with porcini mushroom risotto, tagliatelle with game ragù, duck, chicken, salmon, and sweet, creamy cheeses. We suggest to serve at 16-18°C.

TECHNICAL SHEET

NATURALITY: certified sustainable.

NAME OF THE WINE: Pinot Nero Veneto IGT.

GRAPES: Pinot Nero.

PRODUCTION AREA: Veneto, Italy.

SOIL: alluvial very rich in clay.

CLIMATE: mild, with very few rain showers and a high summer temperature which allows the grapes to ripen perfectly.

DENSITY OF THE PLANTATION AND TRAINING SYSTEM: 6.250 vines per hectare trained with Guyot system.

VINEYARD MANAGEMENT: to obtain a perfect ripening of the grapes, beyond the normal vineyard management, we carry out summer pruning and careful leaf thinning. Furthermore, the yield is kept very low in order to produce grapes rich in body and aroma.

HARVEST: end of August, picking up very ripe grapes, with a deep colour, a complete aromatic structure and smooth tannins.

VINIFICATION: destemming and crushing of the grapes, maceration for 10-15 days in special vessels at the temperature of 25-28°C, with frequent pumping over. After this period the wine is taken out and ends its fermentation exclusively with wild yeasts at controlled temperature in stainless steel vats. After malolactic fermentation the wine matures for some months on its noble lees in barrique at a controlled temperature.

ALCOHOL CONTENT: 13-13,5% vol. (it depends on the vintage).

TASTING CHARACTERISTICS: ruby colour, presents notes of raspberry and rose petals, with a pleasant hint of black tea. It has an elegant acidity and finely defined tannins, which accompany a long finish.

SERVING TEMPERATURE: 16-18°C.

FOOD MATCHING: it is ideal with porcini mushroom risotto, tagliatelle with game ragù, duck, chicken, salmon, and sweet, creamy cheeses.

STORAGE: in a cool and dark place, keeping the bottle in a horizontal position. Its structure and complexity enable the wine to improve during maturation in the bottle, which can last up to 25 years, reaching the top after 10 years from the harvest.

BOTTLE CONTENT: 750 ml.

BOTTLE SIZE (diameter x height): 87,7 x 253 mm.
